

Making a loan payment is simple and stress-free!
Below are several ways you can pay your Chelsea Groton loan.

If you have a Chelsea Groton deposit account...

1.) Auto-Pay

Set up automatic payments directly from your Chelsea Groton deposit account for a convenient, hands off option that is always paid on time and will automatically adjust when changes to escrow occur. Visit a branch, call the Customer Care team at 860-448-4200, or contact the Loan Servicing team at 860-448-4114 to set this up.

2.) Chelsea Groton Online and Mobile Banking

Make one-time or recurring payments through Online and Mobile Banking.

3.) Online Loan Payment Center, powered by UniPay

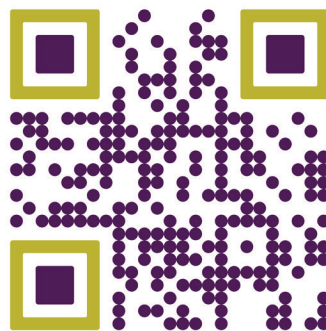

If you're planning to make additional payments toward your loan principal, the [Payment Center](#), accessible from the purple header bar or footer on www.chelseagroton.com, is the most reliable option to ensure the extra amount is applied quickly each month.

4.) Pay by Check

You may mail a check to **P.O. Box 986500, Department #4320, Boston, MA 02298** (also included on your loan statement):

- Be sure to include your **loan account number** in the memo line of your check
- Checks without an account number may take longer to process, as they require additional research.

the Payment Center!

If you do not have a Chelsea Groton deposit account...

1.) Auto-Pay from your Financial Institution

Set up automatic payments on your Chelsea Groton loan to debit your account at your financial institution. If set up this way, Auto-Pay will adjust your payment if payment amounts change due to escrow adjustments. Your payment will be debited automatically, typically 1-2 days prior to your due date, so you never have to worry about missing a payment. Contact the Chelsea Groton Loan Servicing team at 860-448-4114 to set this up.

2.) Online Loan Payment Center, powered by UniPay

Use the [Payment Center](#), accessible from the purple header bar or footer on www.chelseagroton.com, to make one-time regular payments or apply an additional payment directly toward your loan principal. This is the best option if you want to put extra money toward paying down your loan faster. Payments will need to be scheduled each month.

3.) Online Banking Transfer

You can transfer funds from another financial institution using Chelsea Groton Online Banking:

- Add your external bank account under the **Transfers** section
- Your payment will be sent as an ACH transfer

Please note: ACH transfers can take **2-3 business days** to be received, so plan ahead to avoid late payments.

4.) Pay by Check

You may mail a check to **P.O. Box 986500, Department #4320, Boston, MA 02298** (also included on your loan statement):

- Be sure to include your **loan account number** in the memo line of your check
- Checks without an account number may take longer to process, as they require additional research.

When you're ready, we're happy to discuss all the benefits of banking with Chelsea Groton and to help you transition your banking relationship!
